**History:** This message has been forwarded.

---

Eric - further to our telconf of today and your email of Friday, this is to confirm that Employ Media accepts the two conditions set out in your letter to Brian Johnson. With respect to the Phased Allocation Program, we understand that our suspension of the continued implementation of the program is only until May 6, 2011. You confirmed to me that this is also your understanding.

Cheers,

Arif
