Subject: FEEDBACK REQUEST: Timing and Potential Deferral of ATRT4 and Related Community Engagement Activities

Dear Mary,

In response to Theresa's letter, the RrSG does not object to a delay in ATRT 4. However, we urge ICANN to expedite pending work from ATRT3 and stress that these initiatives must address items of community-wide importance such as Transparency in Statements of Interests.

Many thanks,

Ashley Heineman  
Chair, RrSG
