RE: Postponement of ICANN Auction .WEB/.WEBS

Dear Mr. Atallah, Ms. Willett, and Mr. Jeffrey,

Schlund Technologies GmbH is one of the applicants for .WEB with a scheduled ICANN Auction on July 27, 2016.

We support a postponement of the auction, to give ICANN and the other applicants time to investigate whether there has been a change of leadership and/or control of another applicant, NU DOT CO LLC. To do otherwise would be unfair, as we do not have transparency into who leads and controls that applicant as the auction approaches.

Sincerely,

Thomas Moerz
CEO
