Dear Sir

Subject: DIDP Request on ICANN's compliance with US Lobbying law

This is a request under your Documentary Information Disclosure Policy for information related to ICANN's compliance with US Lobbying Law. The Expenditure Test for measuring Lobbying Activity specifies the limits for non-taxable lobbying expenditure.¹

We would like to request all documents in ICANN's possession that show that ICANN complies with these expenditure limits.

We hope that our request will be processed within the stipulated time period of 30 days. Do let us know if you require any clarifications on our queries.

Thank You
Asvatha Babu
